REMARKS/ARGUMENTS

In the Official Office Action of February 23, 2007, the Examiner has rejected claims 1-5 and 10-12 under 35 U.S.C. 103(a) as being unpatentable over Meunier, U.S. Patent 4,423,558 in view of Gringras, U.S. Patent 3,503,790. Claims 7-9 are objected to but are indicated as being allowable if rewritten in independent form to include the limitations of the base claim. Accordingly, Applicant has incorporated the body of claim 7 into independent claim 1.

Accordingly, it is respectfully submitted that claims 1-5 and 8-12 are now allowable.

Respectfully submitted,

HUDAK, SHUNK & FARINE CO. LPA
